

Protect your investment  
with our  
**No-Fault**  
Foto Care Protection Plan

Our plan can provide coverage for hardware failure, surge/liquid damage, accidental abuse and more and covers digital cameras, camcorders, and lenses up to \$10,000.

Purchasing a **No-Fault** Foto Care Protection Plan allows you to capture all of life's great moments while leaving your worries behind.

Delivering simple, easy  
coverage for the protection  
you need

If your digital camera, camcorder or lens requires any repair or service, under our **No-Fault** Foto Care Protection Plans, simply take your camera to the store where the Plan was purchased. Our friendly and knowledgeable staff will handle the repair or replacement for you.

At Foto Source,  
we've got you covered.

Foto Care Protection Plans must be purchased within 30 days from the date the equipment covered is purchased. Ask your Foto Source Dealer for more information today!

Get the protection you  
need with our  
**No-Fault**  
Foto Care Protection Plans  
for digital cameras,  
camcorders, and lenses!

**Terms and Conditions**

Foto Source Canada Inc. agrees to repair, or in its sole discretion, replace, the digital camera, video camera or camera accessories - lens and electronic flashes covered under this service contract for the period specified on the Foto Care Service Contract Certificate of the matters listed below.

**Service Contract Covers**

- Impact damage
- Sand, grit, and liquid damage
- Manufacturer's defects
- Normal and abnormal wear and tear
- Accidental and unintentional abuse

**To Obtain Coverage**

To obtain coverage you will need to bring the item with proof of purchase within 30 days from the date of purchase to a Foto Source Member store. After determining coverage, that member store will register your service contract purchase.

**To Obtain Service**

When your item requires service, you will need to take it to the Foto Source Member store where the service contract was purchased, or any other Foto Source Member store location. That member store will determine coverage, whether your item should be repaired or replaced, and advise when your item will be available for pick-up.

**Limitations on Coverage**

This service contract will cover one digital or video camera body and one built-in or external lens. An additional service contract must be purchased for each additional lens or electronic flash. This service contract does not cover batteries, lens caps, power adapters, memory cards, tapes, software, DVDs, remotes, docking stations, cables, accessories, filters or sensor cleaning.

**Items Not Covered**

- Item damaged beyond recognition
- Item damaged by fire
- Item lost or stolen
- Item where ownership is transferred
- Item where the serial number has been altered or removed
- Photographic flying objects: drones, quadcopters, etc. or cameras used with photographic flying objects

**Limitations on Liability**

Neither Foto Source Canada Inc. nor any Foto Source Member store will be liable for loss of profits (revenue), inconvenience, replacement rental equipment costs, direct, indirect or consequential damages, loss or damage to software and/or digital media. If the item cannot be restored to manufacturer's specifications, damage is beyond economic repair, or if the item has been repaired 3 times for the same repair issue, Foto Source Canada Inc. in its sole discretion, may determine to replace the item with the same or equivalent model, and this service contract will only cover manufacturer's defects for the balance of the contract.

**THIS SERVICE CONTRACT IS NOT AN INSURANCE POLICY NOR A WARRANTY.**
